# BEYOND WORDS, BEYOND BOUNDARIES

Beyond the words lie ideas. Beyond the textbook lie living cultures. Beyond the classroom walls lies the entire Spanish-speaking world waiting to be explored!

*Más allá de las palabras* takes students beyond the boundaries of words and mundane tasks to a deeper understanding of the language and cultures of the Spanish-speaking world. Through a tight integration of language and cultural content, a diversity of thought-provoking readings, and constant recycling of communicative functions and grammar, *Más allá de las palabras* helps students from a variety of backgrounds make a smooth transition between first and second-year Spanish.
