

## MISSION STATEMENT

The Davidson Summer Wrestling Camps for 2007 will focus on developing student athletes skills for a successful future in both wrestling and in life. This camp will benefit athletes from ages 8 to 18, athletes who are seasoned in the sport and those who have never stepped on a wrestling mat.

Topics to be discussed and practiced will include special techniques, tactics, yearly training plans, strength and conditioning, skill development, and nutrition.

Davidson Summer Wrestling Camps provide a great opportunity for growing wrestlers to learn new tech-
