Davidson College seeks to provide students with the strongest educational experience possible in all aspects of their lives. As they face the difficult choices about graduate study and post-degree employment, the college provides extensive education, support services, and programs to facilitate their successful transition from Davidson College to a new stage of life.

Each year the Office of Career Services collects information from the previous year's graduating class to document their post-graduation pursuits. 97.2% of the Class of 2008 responded to our survey.

OVERVIEW
